## **SECTION 205. PERMITS**

**Permit Expiration:** A permit may be renewed within one year of expiration provided that no change in ownership or engineer/architect of record has occurred. Renewal after expiration for more than one year shall not be permitted. Any such permit shall be deemed to be revoked and a new permit must be issued.

**THIRD PARTY INSPECTIONS:** Maricopa County may accept certifications for manufactured and/or designed equipment from third-party certifying authorities. In its determination, the County may consider whether the third-party firm, agency, or person is qualified to certify the specific type of manufactured and/or designed equipment.
